Curso:

Training Course on Engineering Machinery Application and Maintenance for Developing Countries, 2016

Descripción:

Training Course on Engineering Machinery Application and Maintenance for Developing Countries, 2016 is a 42-day program. It is intended to offer the following lectures: China's national conditions, current development and advantages of Chinese engineering machinery, operational techniques of common-using machinery, mechanized construction organization and management, structure and overall transmission of common-using machinery, regulations of security-operation of common-using machinery, assembly and debugging technology of common-using machinery, electric control principle of hydraulic pressure, maintenance and trouble clearing of common use machinery, installation and adjustment as well as application of important supporting products and etc. It introduces to participants the development of Chinese engineering machinery and application and maintenance of common-using machinery from theory to practice. Meanwhile, participants will pay visits to the international financial center?Shanghai City. Local shopping and historic sightseeing in Changsha city will be arranged for participants so as to help enrich their life and understand Chinese rich culture and long history. Through 6 weeks training course, participants will have a relatively full understanding of China, current situation and perspective of globe and Chinese engineering machinery and their operation as well as maintenance. They are supposed to benefit from the said training to improve their own country?s engineering machinery, and as a result, the training can help lay a good foundation for further enhancement of exchanges and cooperation in machinery field between China and other developing countries.

Disciplinas:

CIENCIA. INVESTIGACION. METODOLOGIA.  
INDUSTRIA

Fuente:

China

País:

China

Ciudad:

Changsha City visits to Shanghai City?Hangzhou City

Duración desde:

26/04/16

Duración hasta:

06/06/16

Fecha límite solicitud:

14/03/16

Idioma:

Inglés

Beneficios:

- a) Pasaje internacional de ida y vuelta
- b) Gastos de alojamiento y alimento no incluye bebidas alcohólicas;
- c) Gastos de transporte local derivados de las actividades organizadas por parte china durante su estadía en China;
- d) Gastos menudos por día para cada participante

Requisitos:

\* Under 45 for officials at or under director's level; under 50 for officials at director general's level.

\* In good health with health certificate issued by the local public hospitals; without diseases with which entry to China is disallowed by China's laws and regulations; without severe chronic diseases such as serious high blood pressure, cardiovascular/cerebrovascular diseases and diabetes; without mental diseases or epidemic diseases that are likely to cause serious threat to public health; not in the process of recovering after a major operation or in the process of acute diseases; not seriously disabled or pregnant.

\* Capable of listening, speaking, reading and writing in English

\* Family members or friends shall not follow

DOCUMENTACIÓN A PRESENTAR:

- 1) Formulario de inscripción de china en duplicado con foto
- 2) Fotocopia de pasaporte (excluyente, con vencimiento como mínimo de 6 meses posterior a la fecha de finalización del curso)
- 3) Fotocopia de Carnet de Salud
- 4) Curriculum Vitae
- 5) 2 Fotocopias de las cedula
- 6) Fotocopia del título (si corresponde)
- 7) Fotocopia de certificado de conocimiento de idioma inglés
- 8) Formulario de becas de AUCI
- 9) Carta aval del organismo donde presta funciones, dirigido a la Directora de AUCI, Andrea Vignolo
- 10) Decreto 234/86 firmado

Toda esta documentación debe ser presentada antes de la fecha límite en Torre Ejecutiva-Plaza Independencia 710 piso 7 sección becas
